

Web Bindery is the sole provider of a breakthrough content-to-print service that allows companies with websites to offer customers high-quality, printed and finished versions of online material.

Research shows that customers prefer and buy more from hard copy. They also dislike the inconvenience and poor quality of desktop printing.

This Is How It Works

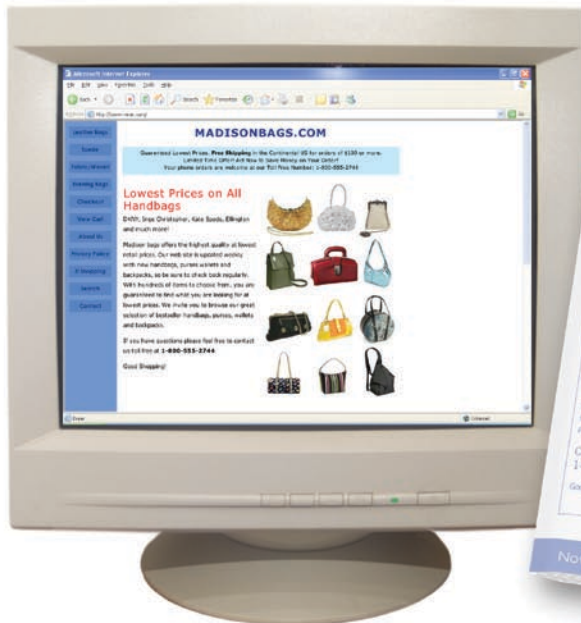

A customer requests a printout with one click and is mailed a professionally designed, fully updated, finished printed piece within 48 hours. **Web Bindery** has no upfront design costs or minimum runs—no inventory, no backend warehouse, no waste. Just printing when you want it.

Consider These Opportunities

- ▶ Print your online newsletter
- ▶ Offer your website as a printed catalog
- ▶ Turn parts of your website into a collateral
- ▶ Open a new distribution channel with print
- ▶ Instead of over- or under-printing, let demand dictate
- ▶ Custom print versions of online content for target audiences

Companies with websites have already made large investments to attract visitors. It's time to leverage that investment. Whether you're a content provider, website owner or developer, **Web Bindery** can be your link to higher revenues.

Offer your website visitors anything on your site in printed format
